“ I am heartbroken upon hearing of Nicole’s passing. Nicole was the first friend I made when I had started dance. I only hope to be as sweet and thoughtful as she had been. She always had a smile on her face and was very easy to talk to. We took dance together for 3 years before she switched to a different school. After a year, I ended up switching to the same place and I was so excited to see her again. I will always have sweet memories of her and she will always be in my heart.

“ Nicole means so much to our family. She and Lexy’s instant friendship and bond is something we will treasure and hold dear to us always. They were able to talk about their cancer and how they felt transparently and support each other in ways most adult let alone children will ever understand. We are so thankful for Nicole’s light in our lives. You are amazing parents. The love you have for your children is so apparent. Our hearts ache for you. Our prayers are with you.

“ *Sonia & Joey,
Nicole, Never forgotten
You'll never be forgotten, that simply cannot be,
As long as I am living, I'll carry you with me.
Safely tucked within my heart, your light will always shine,
A glowing ember never stilled, throughout the end of time.
No matter what the future brings, or what may lie ahead, I know that
you will walk with me along the path I tread.
So rest my Angel, be at peace and let your soul fly free.
One day I will join your glorious flight
For all eternity - May Lord Krishna be you and all your family - Jean

“ I am very sorry for your family's loss. My daughter Claire and Nicole were friends in elementary school. They tried to maintain a friendship once Claire began homeschool. She was very anxious to go back to public school because she hadn't seen Nicole the way she had seen their other two friends. It really broke her heart to know she wouldn't get that chance to see her again. Be strong, find courage, and love well for you are loved just as she was and is.
