“ HI

My name is Junia. I was reading the obituararies and I came to this website to sign in someone else's guest book . I came across Noel Cooper. They had a video which I watched and it was very touching. I felt that I had to sign the guest book and send my condolences to the family. I am sorry about your loss. Mr. Cooper seems like someone who had a lot of fun and loved his family. He looked like a loving husband ,father, and a doting granddad. I thought about a comforting scripture to share with you in Acts 24:15. It talks about the resurrection of the righteous and the unrighteous. This gives us hope that one day we might have the oppurtunity to see our dead loved ones again! I hope that scripture will give you some comfort as it does for many others. Once again I am so sorry about your loss.##imported-begin##Junia Prosper##imported-end##
