My Dearest Sweet and Precious Mother:

Mommy, I have so many memories my beloved Sweet Mother, so where do I begin? Awe, you're a sweet, sweet red rose, and a beautiful sound to my ears. You're O so kind. You're O so sweet. What more can a loving daughter ask for? But you, my beloved and precious darling mother are more than a daughter could ever wish for. . . I'm thinking about you, and sending you blessings and sweet savoring memories your way, my dearest sweet red rose, beloved mother. You're so precious to me, still.

I love you with all my heart and with the love of our Lord Jesus Christ. See you in about 50 years Mommy. See ya soon! Can't wait my precious beloved and sweet loving Mother.

From the daughter whom you loved dearly, Robyn Jean

Much Love and Hugs and Kisses and lots of smooches! I Miss you dearly and love you much!

P. S. Tell Bro I Love him too, and Miss him dearly. I can't wait to see you two and embrace the two of you once again.

Until then, love you much and thinking of you with wonderful memories and a smile on my face . . .

“ I am so sorry for your loss. May reading these scriptures be of encouragement to you. isaiah 33:24, and 25:8, tell us that the God of Love will soon bring and end to sickness and death. Gods son, Jesus Christ, while here on earth spoke about the resurrection hope, in John 5:28,29. That means that we will have the opportunity to see our loved ones again. Sounds too good to be true? Just think if Adam and Eve would have followed the instructions in Genesis 2:17, Mankind would not have suffered sickness and death. That leaves us with this question, Will the God of Love ever fulfill his original purpose? Please read Psalms 37:10,11,29, and 72:7,8. There you will find the answer.##imported-begin##Fe##imported-end##

“ Renelle on behalf of the TRA's and the American Express Family we would like to send our condolences to you and your family. May God richly bless you and your family in your hour of need and know that we are just a phone call away. We don't always understand why our loved ones are taken from us but we have to trust that they are in a better place.##imported-begin##Debra Brown##imported-end##
