“ *Dearest Launa,
I am so sorry for your loss. Both of you have meant so much to me. Thank you for your love for me and my family over the years. Oba and you exuded love to many folks and I have admired the quiet strength of service and conviction you both showed. I'm glad Oba has been reunited with your dear Becky and that we will one day see them both again.
Close your eyes and feel my hugs I am sending to you now!!
Much love and prayers.
