“ *I am so sorry for your loss. No matter how long a person lives. It is never long enough. This thought is in line with God's word the Bible. For Ecclesiastes 3:11 tells us that God has put time indefinite into our hearts. If Adam and Eve would not have sinned, we would not be suffering from sickness and death. Is there any hope? The Bible teaches that most people who have died will be resurrected. Jesus promised that "those in the memorial tombs will...come out." (John 5:28,29) In harmony with Gods original purpose, those resurrected as humans will have the opportunity to live on a paradise earth. Luke 23:43) Also read Psalms 37:29. How comforting.
