“ It is with great sorrow that we share the passing of our Granddaddy. As great a teacher of the outdoors, no other boy ever had. I know as you watch over, and laugh, at us raising these two little boys, you are proud knowing that they too, will know the names of every tree and plant in the woods, because you were such a caring teacher. We love you Granddaddy.##imported-begin##Keith, Benita, Dylan, and Dalton##imported-end##
