“ Charlotte & Freddie - I was sorry to read in the Middletown Journal today about the passing of your Mother. I have a beautiful letter she wrote to my Dad many, many years ago and I treasure it. Instead of starting the letter "Dear Drayfus", she began with "Dearest Brother" and I just cried when I read it. I'm sure they are together now talking about all of us kids and having a celebration unlike any other. You're both in my prayers, Vicki##imported-begin##Vicki (Combs) Brandenburg##imported-end##
