“ Kristi:

I will always remember your Mom and her smile. She was a great Realtor and Friend. I also enjoyed playing bridge with her. Time goes all the way back to Hunt Ridge. She will be missed by all that knew her. My deepest sympathy.

“ Sorry to hear of the loss of June and wanted to express my deepest sympathies. She was my 1st partner in new homes sales and was tough but taught me the strength and patience I have today and I was young and thought I knew it all but she was really there to help and learned alot from her.Everyone she helped - loved her very much. Not one of us know where our road will lead us or where are road ends. But in times of sorrow, we receive comfort from our friends as she comforted many of us during trying times. May God bless your family and comfort you in your hour of grief. Love- Amy##imported-begin##Amy McBride##imported-end##

“ I was saddened to learn that June passed away so suddenly. I am a regular sub for the Monday night bridge group and thus have spent many hours with June who is a regular member of that group. She was a delightful lady. I will miss her. I express condolences to all family members
