“ *Upon passing from this life most leave a legacy on some level. Some small, some may leave much wealth, or some have celebrity. Yet for Mrs. Sellars, she leaves the best ... a good strong loving family who grew from her love and guidance. Dawn, Chrissy, Lexy and all the rest of the family will miss her much. Yet, she lives on everyday in each one of you. God bless you all.##imported-begin##Tom & Nancy Bonnett##imported-end##*
