“ *Dear Ginger, I'm not sure if you remember me, it has been a long time. I grew up across the street from your Mom and remember her so very well. She was a great woman, and was always so kind to all of us kids in the neighborhood. I remember her always being so full of life, and with a great sense of humor. I just wanted to tell you how sorry I am for your loss and my prayers are with you and your family. May God Bless you and your family, and may you feel his loving presence during this time of mourning.##imported-begin##Lucinda Epperson Wright##imported-end##*

“Ginger:

You know how much I loved your mother and am so sorry to hear she has gone on. I remember her being a part of my life for as long as I can remember. The last time I saw her was at mother's funeral and she was just great. I hope she was "with it" til the end and did not suffer.

I know you have had a tough time with the loss of Opal and Cindy. Even though we are not in constant contact, please know that your family has been an important part of my life.

Believe it or not, but I have been living in New York City since the beginning of the year. This is certainly not by choice, but it is for work. I am fortunate to be working. If you come to the area, please get in touch. I would like to see you. My number is 770-639-5154.

With much love,

“ Ginger,
I'm sorry to just hear of your mom's passing. I have very fond memories of her, J.R. , Cindy and you. Cindy & I were very close in HS as Cindy dated my best friend, Chip Roberson and Cindy was best friends with Beth Lee my old flame. My wife, Pam, became very close to Cindy and Opel as Cindy and Pam both had breast cancer. Pam and I always thought your mom was such a card. So pleasant and thoughtful, as was the rest of your family. All of you will always be a part of some of my best memories. My thoughts and prayers are with you.
Your friend,
