“ *We only met Pam a few times, but we greatly enjoyed the time we spent together. But we came to know her much more through our relationship with her daughter, Ashley, who is joining our family as our daughter-in-law. That Pam raised such lovely women as Ashley and Haley is a great testament to her and a lasting legacy of her too-brief time here. We regret not having more years with Pam, but she will always be a part of our family memory, and for that we are grateful.*

Pam and I worked together for many years at Britt Elementary School. Her charm and grace brought many a smile to my face and the students of Britt Elementary. My thoughts and prayers go to her husband and sweet daughters, and extended family. Pam's great love for her daughters always shown through in her day to day life. It is my prayer that as her daughters walk the road ahead that they know they are surrounded by prayers for their healing.
