

## Pat Clark

January 9, 1943 - July 23, 2017

Clark- Pat Clark, age 74, of Auburn passed away on Sunday, July 23, 2017. Mrs. Clark was preceded in death by; Parents: Newton & Mozelle Osburn. She is survived by; Husband of 56 years: Danny Clark; Daughter & Son-in-law: Sandi & Randy Crawford of Auburn; Son: Jim Clark of Auburn; Grandchildren: Meghann Crawford, Katie & Marty Weatherford, Tristan Crawford; Great Grandchildren: Hudson & Macie Weatherford; Brother: Newton Osborn; Sisters: Carole Gibson, Sharon McCrae. To condense Pat Clark's (affectionately known as "Gram" and "Nanny Pat") well-lived and well-loved life into a small paragraph is challenging. She is preceded in death by not only her loved ones, but also by various beloved pets that happened their way into her home...for example but not limited to: two raccoons (Rocky and Molly), two parrots (Chicken and Bentley), a crow (named Heckle, naturally), several dogs and cats, and whatever else that was abandoned by their mother and needed to be raised on a bottle. She was an excellent story-teller, as some of the strangest occurrences usually happened to her...for example but not limited to: a parrot flying into her bathroom and stealing her toothbrush. She founded a business within a passion, Clark's Nursery, that is still family-operated going on 31 years. She could throw a party better than any party-planner below the Mason-Dixon. Most of all, her biggest pride was her family and her friends, who will miss her dearly but undoubtedly are better people for having the opportunity to have known her. To say she will be missed is a gross understatement and although the sun still shines during the

day, the world has lost a little bit of brightness. A celebration of life thrown by her family and friends will be announced in the near future. In lieu of flowers, donations in her name can be made to the Society of Humane Friends of Georgia ([www.sohfga.com](http://www.sohfga.com))...because if they didn't rescue them first, she would.
