“ Pat was a hero. She worked many years with special needs children as a monitor on a special needs bus. She was absolutely marvelous with the kids. They all loved her and many that are now grown still ask about her. She had the patience of a saint with them and they were her bus kids.

Working with her was a joy. I loved this lady and so enjoyed her laughter. I have missed her and will continue to miss her. Fly high, my special friend.

“ *I didn't know Pat real well. But, I worked with her for about 12 years. I usually only saw her a few times a year. She was so sweet. She would always smile and give me a hug. I will miss her.*
