“ Rick and I knew Gammie for about 10 years. And every time we saw her she was always so nice and sweet and funny. She always made us laugh. I know she was a a very good mother and her children and grand children loved her very much! She will really be missed but will always be in their hearts loving and guiding them. I pray God's peace and love will comfort the family today and in the days to come.

“ Pat was one of the most gentle, sweet, and kind women I have known. In my younger years she always treated me like one of her own daughters. She was always so proud of all her children, grand children, and great grand children. I wish the family peace during this time. She is in heaven and will be still looking down enjoying all of your accomplishments with love in her heart.
