“ *Pat was a great neighbor! I miss her all the time. No new neighbor can take the place of Pat across the street. She was a fun person, a hard worker, and so very caring. She often stopped by to check on my parents when they were visiting in my home. She was special to a lot of us!!##imported-begin##Connie Jo Duncan##imported-end##*

“ Thank you so much for putting the announcement of you Mom's passing in the Granbury paper. What can I say about you Mom as a co-worker? I met Pat before I went to nursing school and she was my charge nurse and nightshift partner for many years at Hood General Hospital, now Lake Granbury Medical Center. She could make me laugh one moment and totally irritated the next! She was the best first real charge nurse a new nurse could EVER have. The reason why for me was she didn't mince words, she told me what I needed to know and sometimes what I thought I didn't need to know, she made sure I did! But that is what I loved about her and will never forget, and will always be grateful for her direction and c-oworkmanship! If she liked you, she would do anything for you. I also remember the beautiful house on Doyle Street here in Granbury, TX. Beautiful handcrafting and woodworking. I always felt in my heart that house was a tribute to your Dad, who she missed terribly. She has left behind not just your Mom, but a very good nurse. Thank you, Pat!###imported-begin##Dianna S. “ I am so sad about your loss. Pat sat near me at church when she was able to attend. She was such a trooper - she never complained about her illness or her pain. I will miss her greatly....as I have for the past few months. She was a lovely, sweet lady. My husband, Larry, joins me in sending our deepest sympathy.

“ I am so sorry for your loss. May reading these scriptures be of encouragement to you, Isaiah 33:24, and 25:8 tell us that the God of love will soon bring an end to sickness and death, Jesus boldly promised the resurrection hope, in John 5:21,28,29. That means that we have the prospect of seeing our loved ones again. Please read Psalms 37:10,11,29, and 72:7,8. this wil tell you what conditions will be like here on earth when the above scriptures are fulfilled. foro further comfot, pleae contact this email address. helby hope@hotmail.com##imported-begin##FH##imported-end##
