“ *Gayle was my very best friend all through high school. So sweet, a true friend & stuck by my side during difficult times. Tried to reach her many times while she was ill but was never able to. Love you, Gayle, and thanks for all the great memories we made together during our years at Dacula High. You will always be in my heart* ❤️

Remembering many wonderful times with Gayle in our school days at Dacula High! Always enjoyed spending time at her house and playing in the creek in the woods nearby. Sending hugs and prayers for her family during this difficult time. Rest in peace, Gayle.
