“ *I can't even begin to describe the pain I feel losing my sweet Sister. Trish was not only my sister, she was my best friend. Only eight years older than me we were close. We shared a home together in Walton county and all I can say is it was a party like it was 1999.*

Trish I love you with all my heart and I hope that you are right there with mom giving dad as much aggravation as we did you for so many years.

Your beautiful smile and crazy heart will always be with me.

I love you always

*Your little brother,
