“ I have known Patsy since forever. Growing up in Buford, most folks knew the others from their parents, or parents kin. My grandmother Ruth Pruett was best friends with Ms Porter. My daddy, Stanley Pruett worked with Hinton Porter. My cousin Edward Pruett was married to Jean and we often had birthday parties where Patsy and her crowd was there. My mom Sybil and dad Stanley grew up around all these folks too and I went to school with all the kids at Harmony Elementary school. In the 1990's I became friends with Joann Holbrooks and she and Patsy knew each other as well. We often stopped by The Furniture Gallery to say hey to Patsy and Terry. I worked at Scientific Atlanta and briefly remember her. I worked with Linda Cross at SA too. My prayers go out to all family and friends.
