“ Pat,  
I only knew you for a short while, but your kind heart and concern for me and others will never leave my thoughts. You were truly a gracious and caring person even though your body was failing you. I could never have the resolve you would show on your worst days. You have forever touched my life. I will always miss you.##imported-begin##Angela Nickolaus##imported-end##

“ Pat, you left way too early. You will never be forgotten. The lives you touched were many and you will be greatly missed. I never would have gone on a cruise if it hadn't been for you. The fun we had will never be forgotten. My condolences to Chuck and your entire family.

May you be in a better place now, of peace and no pain.

“ Pat, I want to remember all the good times we have had together over the past 40 years. You and Lauren are one of my own. I love you and will miss you so much. I'll always be here for Lauren as you ask me years ago. She is my first grand daughter. You fought a tough battle. Now you are at rest. “ seashell, you will always be in my heart - my first chat friend on Prodigy and truly one of the best. There are so many wonderful memories - your kindness, your terrific sense of humor and that infectious laugh, and your wonderful way of looking at life. I was so thrilled when you and Chuck found each other, and had always hoped that you two would grow old together. You left us much too soon, but we can always cherish the time we did have with you and keep you with us in our hearts.###imported-begin##Judie Kuhnle (koty)###imported-end##
