“ I am a friend of John & Bridgett Willis, Patti's brother & sister-in-law. I never had the privilege of meeting Patti in person, but I have heard so many wonderful stories about her. I know that she was so loved, and will be missed by so many. The Willis and Pyles families are in my prayers--praying for peace in your hearts, comfort in the promise of eternal life, and the strength to endure the difficult days ahead.##imported-begin##Kelley Sindon##imported-end##

“ We remember the times we all spent together at the pool, that's the first time you all met my family. I have been apart of your family in many ways since I was a kid. I cherish those times and the memories we made in the house in Forest Park to eating Bell Beefers. We love you all.
