“ *Ms Patsy was always a smiling face at Sharon Baptist. I grew up going to church there and had her for a sunday school teacher several times and I remember she had a favorite bench to sit on. She was always so cheerful to be around!##imported-begin##Marcy Eldridge##imported-end##*

“ As a member of Classic City Pilot Club in Athens, Ga., I would like to extend my deepest sympathy to Pat's family. I fondly remember her as she "wheeled" around at the Pilot Conventions. She was a dedicated Pilot and she will be very much missed.

Sincerely,

“ Dear Hesterly Family,  
Please accept my sympathy in your loss of Pat. I will keep your family in my prayers as you adjust to life without her. I only knew Pat, indirectly, but remember folks saying that she was a very nice person with much to offer life and life's various "hills and valleys". May your memories help you through the worst of times as you begin your grief journey. God bless you always.

“ Pat was a wonderful Pilot, whose presence and leadership was one major component of our Convention experience for many, many years. As well as Lt. Governor and PIF Rep, she served for many years as the convention Marshal. It was a job that she originated, and no one has been able to replace her.

Pat - you are and will be missed, but we know wherever Pilots gather, you will be there in spirit.##imported-begin##Cindy Weaver##imported-end##

“ We extend our deepest sympathy to the family, and pray that they will be comforted by the Father of all comfort, and feel His presence in their lives as they go through this time of sorrow and grieving.

Take time to remember the great contributions "Aunt Pat" made, and the many lives she touched with her sweet and precious spirit. She is now at home with the Lord she loved so much, and has a new, healthy body. What a wonderful promise God has given us even though the sting of death is bitter.

Blessings to each of the family members. Please know that you are in our thoughts and prayers.

Love to all,
