“ *So sorry to hear, I will miss Pat. Growing up down the street from him and working in the yard with him a time of two. Pat loved his dogs and his yard. He spent so much time to care for them. A really loving man. - David Richter*

“ *In Loving Memory of Patrick -  
Too soon you left us on our journey through life,  
Always loving your family and a friend to many,  
You were special and seemed to have a steady hold on life,  
We did not know the depth of your darkness,  
A darkness that brings great pain and blinds many to God's love,  
We, who cared for you, hurt for a lost life of true meaning,  
We yearn to turn back the clock and offer support,  
That would have kept you with your fellow travelers on this earthly  
journey.  
We pray your soul on in journeying to the other side,  
We pray to God that He will bring you peace and comfort,  
And lead you into the light by the still waters.  
Love,  
Nancy J*
