“ Debbie, Grant, Kara,

Lou Ann and I hate being so far away from you at this time. I can't believe this has happened. My family will always be there with you. We are all grieving.

I will always remember the great times we had with Pat while we were neighbors in Virginia.

Pat loved you guys with all his heart, he was a great Father and a great friend to me. We had great times, from going boating, fishing, going to DC to a Computer show, serving with me in the Lions Club, or just our family's being together, Pat was great. Even helping me, and putting up with my "art phase" in the 80's. He taught me a lot.

I love you guy's and I'm so sorry. Still can't believe it...

“ *Deb, my dearest and most beloved friend and my "sister"- words cannot describe the sorrow I feel for you and the children. I thank God that I could be with you this weekend and hug and cry with you, my friend. The miles will never keep us apart! I am always here for you.*

How awesome it was to see those beautiful grandchildren! Now you are the one to tell stories and share precious memories with them about their grandfather and the great legacy he has left for them. May the Lord's grace, peace and strength surround each and every one of you!

*In difficult times Deb, I look to this scripture to give me strength:

“ Aunt Deb,

We are all thinking of you up here. I know it is hard, but know that you are surrounded by many who love and support you. Give the grandkids extra hugs and kisses for us and please don't hesitate to let us know how we can help. We all feel helpless but are glad to see so that Mom, Steve and Linda will be able to stay with you.

Hang in there,
