“ Regina, my heart is hurting for you and the boys. Memories of you and Paul during the Wabash and IP days are priceless. I always smile when I think of our trips to Virginia and DC and all the stories we retell every time we’re together. You two are very special people to me and I love you both dearly. Wish there was something I could do to take away some of the pain from you and the boys. He was definitely one of the good ones. Miss and love you Lenny. Huff

“ It is with a heavy heart that I learned of my dear cousin's passing. His parents, my aunt and uncle, always called him Paul Leonard to differentiate him from his father Paul. So I always called him Paul Leonard and he got a kick out of that.

I only have the fondest memories of my cousin. I loved visiting him and Regina in their beautiful Monroe home. I was treated like a queen. I enjoyed showing Paul Leonard around San Francisco when he was here on business.

His love for Regina (his Reggie) was deep and strong, as was his love for his sons and their families. He was blessed.

I regret being unable to attend his Service; I am recovering from surgery. Although far away, I hold Paul Leonard close to my heart. His memory will always be a blessing.

“ Regina - My deepest sympathy to you, Tony and Stephen and families. Paul and I worked together at LabOne and I have many great memories of our escapades. Also with Ron Barrett. We always had a golf challenge when playing together and Paul always won. He certainly enjoyed the game. I will always remember him as a great friend with a friendly word for everyone.

“ One of the perks of visiting my sister and Stephen was that I also got to visit with a Paul. He was always truly interested to hear what I had going on, I loved that he referred to me as “the nice sister” with that feisty twinkle in his eyes. When my wife and I bought a business, he told me he was proud of us. I was surprised at just how much those words meant coming from him. We made Paul proud.... And that made me feel proud.
