“ *I first met Paul some 37years ago. Our relationship began as a business one but over time developed into a personal one and we became more as brothers than as business associates. I am going to deeply miss him and he will forever be in my heart. From the entire Kramer family-Dale, Ellen, Stan, and Robert we love you. Rest in Peace my Brother.*

I just found out about Paul's passing and I'm devastated!!! I met Paul over 40 years ago when I was a teenager in the early 70's. Yeats later after he opened his first jewelry store in Cumming GA I worked for him. He became family in my heart!!! My parents thought of him as a son and he had his repair shop in my dad's jewelry store for a few years. We all had a special bond!!! I can't believe I'm just now finding out about this. To his family I'm so so sorry for your loss!!! Paul was one of the best people I've ever met. I am a better person because of Paul!! He taught me so much about the jewelry business when I worked for him and about life in general. I will miss him he was a brother to me in my heart!!! I know we will see each other in Heaven!!! Love, Andrea Whittington
