“ *I am so sorry for your family. I just found out today through Ryan Bassett whom I've been out of contact with until recently. I went to school with Paul and we were pretty close friends up until we graduated. My thoughts will be with you always and I know as you do that Paul is with God waiting for the day that he sees us all again.*

Respectfully yours,

“ I have known Paul David since his birth and Louise and David have been my friends since high school. I am devastated for them, and for Promise and the children, and for Crystal and her family. My prayer is that God will comfort as only He can, and that He will surround them with friends who will love and support them. "For I know the plans I have for you says the Lord, plans to prosper you and not to harm you, plans for a hope and a future"....Jer. 29:11 Yes, we question why a young father had to leave this earth early, but we know that God is in control,##imported-begin##LOUISE BARNES##imported-end##
