“ *I am so saddened to see that Paul lost his battle at Piedmont. Your family touched us deeply because of the love you have for each other and the support you gave each other. Paul received the ultimate healing that is so hard for those left behind. May God peace and blessings help you through this time. Becky and I will continue to pray for you all. Please tell Jack that I think I will finish the Shack. God bless, Gary##imported-begin##Gary Morris##imported-end##*

“ We would like to express our deepest sorry. Paul was one of our favorite people and a special friend. We shared the Christian life at Praise Fellowship church and experienced many wonderful life experiences together. Paul was one of a kind and one of the friendliest and warmest people we have ever known. His love for life and zeal for whatever he did bless everyone around him. Our thoughts and prayers are with you during this time.
