“ *I am just finding this and am very sorry and sad to hear that my old friend Paul "Botch" has passed. I used to work with him in NJ at Winnebago Scout camp. He was a great person. Very funny and he he always looked out for the little guy, with a little ribbing of course. I have a great picture I will try to find to show him as I will always remember him. To Paul's wife and daughters I am very sorry for your loss. Know that your husband, dad, was a great person and will be forever missed.*

“ Long explanations and winded conversations about life, his family and Diet Cokes. Paul was a man who knew how to make you laugh when all around was chaos. He spoke of his wife and daughters with such love and shared stories about them as much as possible. He helped me with my battle with Diabetes and I really appreciated him. His knowledge of so many spectrum's of Siemens business will be missed and he will remain in our Siemens Family's hearts forever. Denise, Jessica & Rebecca, I know the no words can wrap up Paul and the love he had for all of you . Just know that you all are in my thoughts and prayers and he will be missed. Love and hugs, Cyndi Smith

“ I never hear the sentence "It is not possible" from Paul Buchanan. When everything at work seems like a complete chaos he would keep his cool and help with knowledge and patience. Besides being a great human being, he was the best co-worker and will be truly missed.

“ My thoughts and prayers are with entire Buchanan family. Paul was a great man who always took the time to help others. He will be deeply missed. I had the pleasure of being a co worker of his for a few years. I will miss that look he use to give me when I needed help and would tell him what I wanted. I clearly did not have a clue, but he would never question me. He would just smile and help me. May the memories of Paul guide his wife and children during this time. R.I.P my friend. You will never be forgotten. Tracy

I had the great opportunity of working with Paul for many years. He was a wonderful individual and a great co-worker. He touched everyone he came in contact with and I pray that it will somehow sooth the hearts of his family just knowing how many people Paul truly impacted. He will be deeply missed!
