“ *Mr. Paul was a great man who always spoke to me and my family when we would see him out in the yard with his dog in the morning. We had several conversations about football being that I was playing the sport at the time, and will miss those early morning conversations before I left for work. Rest easy sir, your job is done... My condolences to the family on their loss.*

“ Paul always treated us like part of his family. When we talked together, he listened attentively and shared his thoughts and concerns with us.

He was a man of God who was very involved in his church. During many phone conversations, he told us about his latest Bible study or his summer job of making sandwiches for the kids at school.

Marilyn and Paul made one of our dreams come true when they sold their Keys home

to us. That house was built with love and shared many happy times with family and friends. We continue that tradition with those who visit us. The house that Papa built is still full of happiness & love.

We were so blessed to know such a wonderful, kind, thoughtful, and caring man!

Our Lord has called a great Christian home! Paul was always involved, always early to help out. Paul, for sure, was an example to us all of how to show God's love through our actions. Will miss you Paul.
