“ Oh brother how I wish I had hugged you a little tighter and a little longer the last time I saw you. My heart is so broken, but don't worry we are taking care of Mama. Who are we going to tease about being her favorite now? I love you more than you could ever know and my heart won't be the same. Our lives we forever changed in the best way when you entered this world and changed forever more, in the worst way when you went home. You are in the most beautiful and perfect place now. It's full of nothing but Love, Joy and Happiness. I know that when my time comes, you'll be at those pearly gates to welcome me home. I love you forever baby brother
