“ *Good afternoon. My memories of Paula are many to mention. As her supervisor I will remember her as a hard working person, very industrious and most of all she loved the Lord. I've already missed her, for we had a relatively good relationship. Sleep on Paula.*

Good morning, I've known Paula for a very long time and her death has hit our family very hard, I've worked side by side with Paula in ministry and seen her love and commitment to the Lord throughout her life.

*We will certainly miss this beautiful, independent, talented, no nonsense, committed child of God, Sister, aunt, and friend.
Sleep in peace Paula*

Good day to the husband, family and friends of Paula Brown Charles, I have known this beautiful young Lady in our church as a Sunday school teacher and department leader, very committed and dedicated to the work of the Lord.

*You will be missed, continue to Sleep in Peace until that sweet Resurrection day.
The family lost is heaven's gain.*
