“ *I will forever miss you, my beautiful Aunt. You were one of the few people who could always make me laugh. I will never forget what you told me right before Christmas—that I was a good mom. That meant more to me than you ever knew because I was struggling at the time.*

Thank you for never judging me and for always welcoming me with love, kindness, and an open heart. You made people feel seen, valued, and cared for.

Although my heart aches without you here, I find comfort in knowing that I will see you again someday. Until then, I will carry your love, your laughter, and your memory with me always.

Levi and I love you and will miss you forever. ❤️
