“ *There is a old song that says that when someone passes on, they take the love they had on the earth with them to Heaven. Heaven must be overflowing with all the love Paula has taken with her there. Please accept our most heartfelt sympathies for the loss of someone we know you loved so much. Our thoughts and prayers are with you and your family during this difficult time. We will light a candle in her memory. Dick & Karen Magdich*

“ *Words seem inadequate to express the sadness we feel about Paula's death. Death leaves a heartache no one can heal, love leaves a memory no one can steal.*

*We are here to support you in your grieveing process.*

December 05, 2011 at 09:27 AM

“ *She will be missed. She always encouraged me as a secretary. What a great loss. Always Smiling. You are in our prayers.*

December 04, 2011 at 08:21 PM

“ I first met Paula several years ago when she was buying some magazines from St. Lawrence Church's Iliterautre rack. She wanted to know all about the Catholic Church and was looking forward to the Initiation process which she completed in 2010. As a new Catholic she thoroughly embraced our faith. She was eager to receive the Real Presence of Christ in the Eucharist and had a strong devotion to the Virgin Mary as her spiritual mother as well as a dozen or so favorite saints. Her enthusiasm and love for God led her to seek formation in the Catholic lay association known as the Daughters of St. Francis De Sales, She was in her first year of studies. While I will miss her lively presence and enthusiasm, I know she has found what she was seeking in this life and is enjoying union with Christ in Heaven. She always spoke warmly of her husband and siblings who allowed her the freedom to be herself and respond to God's call. I once asked her about work and she responded that with her illness her "work" was to go to her doctor's appointments and try to be an instrument of God's love to other patients as well as the doctors and nurses that cared for her. Paula, pray for us.##imported-begin##Diane Maguire##imported-end##
