“ Sandra and family,
We are so saddened to hear of Paul's passing. My goodness, it seems like just yesterday our girls were coming out of the oven as "Brownies". Where has time gone? You and your family will be in our prayers, and if we can help you in any way please do not hesitate to call. Dana still talks of Heather often, and in fact, she took a CPR class with Paul not too long ago. May GOD bless you all.

“ Sandra and family,
I remember Paul well and he was a good friend. I took all the 35mm adult photography classes he taught in the mid-1980s at S. Gwinnett HS and because of him I became a professional part-time wedding photographer for 11 years. I even referred a couple of weddings to him and kept in touch several times over the years. I always respected him and learned a lot from his expertise and especially enjoyed the field trip to Cade's Cove, TN as a conclusion to the Advanced Photography Class. I will miss him alot and may God give you and your family peace and comfort and sustain you during this difficult time.##imported-begin##Brian Siegmund##imported-end##
