“ *I am praying for Payton's family and friends. I am sad to hear about his passing. Although I hadn't seen him in years, I have so many good memories of him and all the "big dawgs". Payton always made everyone laugh and always had a smile on his face every time I saw him. I remember when I was about to have my son Spencer, Payton and so many others were all hanging out in my hospital room and I think Payton was the most excited of all for his friend to become a dad. He was loved by many and I know will be greatly missed. Rest In Peace Payton.*

“ It is so very difficult for me to think of Payton passing at such a young age. Growing up in Summertown with my son, being one of the Big Dogs, as these referred to themselves as, coming by the house with a big grin and smile always pasted on that face will never be forgotten. A tight group the boys and girls had while they were growing up
What memories his friends will carry with them, always being part of this time in their lives
My heart is very saddened, Debbie, Mike, Nathan and children, I will pray daily for your Peace, your son , brother and dad did have that personality to put smiles on others faces when he was around.
He will be sorely missed
