“ *In loving memory!! Mawmaw you most certainly was one of the most influential woman in the world we could all use lessons from. It was surely one of the greatest honors to know a genuine treasure who loved all of her children, grandchildren, great grandchildren and accepted anyone her family choose to love and immediately made them her family too. And never left anyone at all out. Her heart was so huge and full kindness and love!!! Rest peacefully and fly high in heaven as you was an angel here on earth and touched every person in your life!!!*
