“ *Peggy was a friend and classmate from kindergarten through high school graduation and then on to college for a couple of years. We played and marched in an outstanding high school band. Many fun times on band tours, concerts, and just growing up in a wonderful time and a wonderful place. We reunited several years ago prior to our 50th high school reunion and had been having lunch pretty regularly until a couple of years ago. I am heartbroken by her passing but know that she is in a better place and with the love of her life, Bill. My thoughts and prayers are with the family. Peggy will be missed by all who knew her.*
