I met Peggy over 20 years ago one day after she went to the Nascar time trials at the Atlanta Raceway. She had enjoyed talking with my husband, and later me, about the races and the drivers. After my husband passed we would talk to each other regularly on the phone. She was a really nice person and I enjoyed our talks. We were both receiving pension and insurance from Dekalb county. She would keep up with what was going on with that and tell me about it. I enjoyed talking with her. The last time was March 30 of this year. We talked for 87 minutes! She would always send me Christmas and Birthday cards. I will miss her and our talks.

“ *The BSA girls' Troop 5109, chartered to Buford Presbyterian, expresses our condolences. Mrs. Maier was a long time supporter of scouting, and instantly supported the all-girls' troop that started at her church. She told us stories about her son's scouting experience, and was very proud of her family's history with Scouts. She was a champion for the girls, and always wanted to know what adventures they were up to. We appreciate her support and well wishes. We are saddened to hear of her passing and offer our prayers and peace to her family.*

“ *My Aunt Peggy was the sweetest and most kind hearted person I have ever known. She was a soft spoken, gentle little lady but with a quiet strength to help her endure so much personal loss. I always admired her self sufficient independent spirit. She was much loved and will be greatly missed.*
