“ Dear Pam, Bud, Yvonne, Alex and Drew,

I like to think of the blessing Peggy received as she was greeted at the Pearly Gates by her loved ones who preceded her as she heard the heavenly music that is so beautiful and our Lord offered her his hand and invited her to come into heaven.

Please know that I am thinking about each of you as you mourn the loss of a mother and grandmother. In time I believe you will be able to remember the good times rather than these last few months. She will be missed by all who knew her and loved her dearly,

With deepest sympathy,
