“ *Pennie & my hubby Paul met in their teens when they were young & having youthful fun. They instantly became great friends. When I started dating Paul, Pennie embraced me as a sister. Her love was righteous & true. It was a privilege to be one whom she loved. The world will be a dimmer place without her, although we trust she is without pain now. Our deepest condolences are offered to Mrs. P, Craig & family and her dear friends & pets. May we all find comfort & warmth in our cherished memories of a fabulous woman.*

“ Pennie and I met when we were in 7th grade and lived very close to each other, Saying that we exhausted our parents limits was an understatement! We kept in close contact over the years. I now have health issues that prevent me from driving from Ellijay to Lawrenceville. I will be thinking of Cathy and Craig and the rest of the family.

*Pennie and I met over 35 years ago when I was working for her Dad, the amazing Pete Peterson. She and I clicked immediately, we had so much fun together. We parted ways when I got married and she did as well. 2 years ago I found her again and it seemed as if we did not miss the years we were apart. I spent some time with her again. We had Deja vu and laughed about the little things. I wish I could have spent more time with her at the end. I will never forget her. I will keep Cathy, Craig and family in my thoughts and prayers! ❤️*
