“ I remember when I first met Penny, I was dating her brother Felton. She was just 8 years old, such a tiny thing, She had grown into a beautiful young woman. Got married and had 2 children, the rest of us already had children. Loved being a mother. She loved her children! Penny, we will miss you, love you, rest in peace!

Just want to say to the Mobley family I'm so sorry for your loss. I can't believe she's gone I just keep reliving all the times that we had together we raised our children together .and we had a lot of fun and crazy times together. She may have been a little hard to handle at times but she would give me the shirt off her back .she was a good woman with a big heart I loved her like a sister . May you rest in peace .you don't want to hurt no more .💕
