“ *So I recognize that I am late however I just learned of Pharron's passing within the last minutes. Pharron and I went to high school together and we met in Theater and Chorus. Pharron was always true to himself and a great friend and I am sadden to hear of his passing. Even though it's been over 20 years since high school, I wanted to extend my condolences to his family and loved one's. May God continue to be with you and comfort you as you continue to process your grief. You will be in my prayers. Be blessed.*

“ Pharron and I go back to the days when he lived in NYC. We spent a lot of time together in our 20s as young men in a big city living it up! We reconnected after Pharron returned to Atlanta, and I end up moving there. We always had a mutual respect for each other and the goals we both had established for ourselves. He truly was a brother to me. I can't believe he is not with us anymore, but the memories will live on with me forever. He is indeed now in a better place! Love, Kimani

To the Jenkins and Rivers Family, while I did not know Pharron, I have known Verna Jenkins Rivers, his mother, ALL of my natural life. Her family and my family both attended Mt Carmel Baptist Church in Prichard Alabama. She is among the Finest of Persons and comes from GOOD stock. In that Pharron was her son, it is ABUNDANTLY CLEAR, that the APPLE - the FRUIT of Verna's womb - didn't fall far from the tree. Verna came up in a Christian and Godly home. Pharron was raised by a God-fearing, Loving and Christian mother. He is now RESTING in the Bosom of Jesus. Still praying for Verna and the entire Jenkins and Rivers Families, for the COMFORT of the Holy Spirit, for HEALING and for Peace of mind and spirit in these trying times. In the interim, if I can be of service to the Jenkins and Rivers Families in ANY way, I am a text message, FB message or phone call away, at 314-546-7975. Please also keep me in your prayers as I start making preparations to start law school. Love You Shelia M Bolar
