“ A big guy with a big heart for animals, that's how we know Phil best. How often are you lucky enough to know someone like Phil? Losing him is so heartbreaking to us. We know how huge this loss is to Daleen and to those he shared his passion with. He made us laugh, he touched our hearts, he left his mark on us all. In the end, isn't that what matters most? A soul gone too soon but a soul that will be with us forever. Give all the kitties there a scratch under the chin and a treat from us. Hoping you're somewhere near the Rainbow Bridge reuniting with many loved ones....until we join you one day.###imported-begin##Julie and Larry Hanan###imported-end##
