“ *Betty,*
I am truly sorry to hear about your loss. Phil will be missed by all. I remember how you and Phil used to play with Christopher when he was a baby and when we lived right around the corner from ya'll in Lithonia.##imported-begin##Dawn Holman##imported-end##

“ Dear Betty,

I was so sad to read of your loss.

Please know that you and your family are in my heart and in my prayers.

I know that this is a strange way to send you my sympathies, but, without another way to reach you, this works.

Hang in there, Betty. I've been through the fire and have made it to the other side. I know you can as well.

Much love,
