“ I will always hold you in a special place in my heart! Your quick wit and humor played a beautiful part in our lives growing up from the play ground in Los Rios CZ to our High School years at Balboa! I will always remember the time Donna Rathgeber and i came to visit you at Mayo and we all were laughing so hard and loud that the nurse came in and said you all must have known each other a while!!! She was so shocked when we said s lifetime and got her cracking up! You are forever in our hearts and never forgotten. Prayers to Marie and family❤️RIP my dear friend!

“ My Uncle Pill, as I called him, and myself had much history together, and that history was truly a creation of everlasting memories. So many moments to cherish. One of my biggest inspirations came from his belief in his family and the respect he gave all of us. His courage and strength was like no other. A true admiration in helping guide you through the 'School of Life'. Yes..Yes..Yes..those pranks and jokes kept you laughing in letting you know that it is just fine in uplifting others, the emotion of healing and just fun. Why so many loved him. Laughter a big part of his soul.

*I will miss my Uncle Pill, for it is time to part, yet know he will be in my heart.*

“ My father was a fighter. He touched a lot of peoples heart with his jokes, hillbilly teeth, stickers, and funny jokes.

*He will be missed by many family and friends.*

*He is free now free of pain and looking down on each and everyone of us. This candle will stay lit forever with in our hearts.*

*I had a true caring Brother that was always there for me and all friends and family. He never had judgement only concern and love for everyone..*

“ *The God Father of the Spencer Family is gone and with him took away our famil's source of feedback about life, problems and always there for each family member as needed regardless of his sacrifices especially when he was suffering from physical problems. His dedication to each that would allow him into their life has been blessed with knowledge and love. He never set judgement on anyone and accepted them unconditionally. I am proud to have you as a Brother and will miss you in silence but knowing that you are with me. UNTIL WE MEET AGAIN.. I LOVE you.. LOIS*
