

Phillip E. Pardee, Jr.

June 6, 1936 - January 24, 2014

Philip E. Pardee Jr., 77 of Snellville, GA, passed away on Friday, January 24, 2014. Philip was born in Fort Worth, TX on June 6, 1936. Philip and his wife Joy T. Pardee, were blessed with 36 years of marriage and five wonderful children Jon(Stacy), Josh, David, Katie and Cody Pardee and grandchildren Paxton and Kooper Pardee . Philip also leaves behind his son Jerry Morgan(Amy) of Tampa, FL and his daughter Deena Fields(Dan) also of Tampa, FL and their children Erin and Dan Fields IV and Laney Morgan as well as his extended family Beverly McCrady, Terry Hill, David Davenport and many cousins.

He enjoyed spending time with family and friends. Whether it was watching his beloved Florida Gators or his Outlaws baseball team, Philip lived life to the fullest. He never met a stranger, and could talk to anyone. His quick wit and sense of humor made him an easy person to befriend, and friends often became family. He enjoyed coaching his sons in baseball, and continued coaching even after they grew up. From this, Philip gained even more “sons” whom he loved dearly. He also loved watching his grandsons play sports, and cherished any time he could spend with them.

His Catholic faith was a huge part of his identity, and he loved his Church family of St. Oliver’s. His faith strengthened him for the journey home. When he wondered why God had allowed him to survive so many medical tribulations, the answer came in the form of the lives he touched.

He lived his life helping and serving others and was an example to those

around him. Whenever he saw a person in need, he never hesitated to give money or even offer a room in his home to them. He had a saying for everything. Every time you asked how he was doing he would say, "I'm doing terrific but I'm gonna get better." We have faith that he is indeed doing terrific, and heaven is going to get better and better. Funeral will be held at St. Oliver's Catholic Church in Snellville on Monday, January 27th at 11am. Interment will be at 2:30pm at Arlington Memorial Park in Sandy Springs, GA. Visitation will be on Sunday, January 26th from 5-8pm. Arrangements made by Tim Stewart Funeral Home, 2246 Wisteria Drive, Snellville, GA 30078. 770-979-5010.

“ Coach Pardee was by far the greatest coach I ever had. Not for his knowledge of the game or even his love of the game but instead what he taught and showed me outside of the game of baseball. He showed me how baseball was not the most important thing in life and taught me to love baseball without idolizing it. Playing for him was the greatest experience I have had in sports. I went on to play both high school baseball and golf and then college golf and while all those years were remarkable, none will compare to my years as an Outlaw. He taught me so much more than I realized and more than I could ever thank him for. He truly reached out and impacted every player and person he ever had or knew. He was an incredible man whom truly defined what it meant to be selfless. He will never stop impacting those he knew. Thank you Coach. Can't wait to see you!

“ I love Phillip E Pardee Jr. He was a blessing to me and an advocate for Jordan and I enjoyed our time coaching the boys together on the OUTLAWS (even if we didn't have a very good record) (we were still good). Thanks Phillip for our time at Lenora Park and your dedication through the years for all the kids who came through there that you touched.##imported-begin##Billy Oates##imported-end##

“ Philip was like a brother to me. (He called me "SIS") I loved him with all my heart. I never minded if I got his voice message when I called him because his outgoing message was so entertaining. It was just so, "Phillip." He & Joy, together with their family, are an inspiration to all of us about unconditional love. I really wish I could be there. I will be there in spirit, love & prayer as you celebrate his life together.

With Love,

“ *My heartfelt sympathy to all the Pardee family; I will miss Philip; he was one of my favorite people; it was a pleasure to have known him for the past few years and be a partner in our St. Oliver's Renew family; perhaps he can guide us from above! I pray God guides you all through this difficult time.*

Peace to you...

“ *So sorry to hear about the passing of PEP. I got to know him about 15 years ago and every time I talked to Cody or Katie (up until just a few months ago) I'd ask 'em how ol' PEP Jr. was doing. We always laughed about it, but it wasn't a joke to me. I loved the guy.*

He was a hard-nosed guy but he taught me a lot about hard work. Always respectful, funny and a blast to be around. Too bad he was a Gator fan-- I'm gonna miss the taunting back and forth we did back in the day.

Sincere thoughts and prayers to the family. He's in Heaven and that's as good as it can possibly get. Gonna miss you Mr.

“ *Elissa & I are sorry for your loss. Phillip was great man. He has always been such a fun and loving guy. I remember visiting Phillip & family in Atlanta during Thanksgiving when I went to college at Auburn University back around 1992-1995. I was too far from home to visit my own family in Houston, TX during Thanksgiving, so Phillip & Joy offered me to celebrate with them and their kids. They offered their warm home, great food, great company, and told me I could bring any of my college friends that lived too far from home to celebrate with their own. That's just the kind of man he was. It always felt great knowing that I had such a loving family close by that I could count on to take care of me while I was off in college 100's of lonely miles away from my immediate family. Phillip was so proud of his life, coaching baseball, running a store selling baseball cards and supporting such a fun, loving, and generous family. He was so full of life, energy, and happiness and would do anything for you. I feel so blessed to have spent such great quality time with him, as he treated me like I was one of his own. He will be dearly missed.*

“ Phillip, I loved him like a dad. He opened his house to me for 3 months in 1981. I recently had correspondences with him through text messages. I felt like I had talked to him and cherish that I did have contact with him. In that text we both referred to me as his long lost daughter, that is how special he is to me. I am very saddened by his passing and will keep him and his family in my thoughts and prayers.##imported-begin##Susan Ripley Coffey##imported-end##

“ Our thoughts and prayers are with you at this time of sorrow. Phillip could never be known to many of his friends as "Phillip", but "Phillip E. Pardee Jr.". He will be missed greatly. Please take comfort in knowing he touched many lives, especially the young men on and off the baseball field he cared so much about. Stan##imported-begin##Poole Family##imported-end##

“ I want to express my deepest condolences to the entire Pardee family. Coach Pardee has a true gentleman and a friend to everyone he met. When my son was looking for a summer baseball team when another one fell apart, I called Coach Pardee and Terry Hill and they welcomed us with open arms. We became instant Outlaws and I have been lucky enough to help coach that team on and off for the last 7 years. I will miss him on a personal level, and the entire Outlaw Nation (which consists of his other "sons' and "grandsons") will miss him very much. I loved getting to the ballpark, seeing Coach Pardee, getting a hug from him and having him tell me how glad he was that I was there. He loved his players, his fellow coaches and even most of the umpires. We've lost a great friend, mentor and coach.##imported-begin##John Brieske##imported-end##
