“ I am so saddened to hear of Phyllis’ death. We were nursing colleagues and friends in the 1980’s. I loved her quick wit, her sarcastic humor, and the love she had for her family, especially her favorite nephew Kyle. My deepest condolences to her family as they grieve her passing. “ It broke my heart when I heard about Phyllis! She was such a good friend and I will miss her! Phyllis and I always enjoyed going out to a new restaurant! She loved to eat out and we had some great times together. Phyllis was a great nurse for 40 plus years and I could always ask her any health question and she always had an answer. I will miss that so much! She was such a devout Christian and she loved her Lord so much so I know Phyllis is smiling now in heaven! I am so thankful I got to see Phyllis one last time a month ago. Lynn, Trish, and Greg please let me know if there's anything I can do and thank you for taking such good care of her! Rhonda
