John, my sincerest sympathies on the loss of your sweet wife Phyllis. Phyllis was my dear friend from college and beyond those years. I was in her first wedding party and she was in mine. She shared time with my family for years and I loved her sincerely. We had many laughs, we had many funny, serious and silly times in college at Ouachita, and I watched her mature to a woman who was so creative and inventive as well as intelligent. She was a loyal and devoted Mother, wife, friend and companion. I know you will miss her, and she will always own a slice of my heart. Sincerely, Dian
