“ *Ms. Phyllis:
Though we didn't know each other long, I came to know that you were truly loved by many. Your kind heart and your caring ways, made my transition into the clinic, a smooth one.
I will miss you and I have to say that it was my pleasure to have met you and known you. I feel honored to have some things that were a part of your life, and will continue to remember you not only through those things, but the memories I will carry with me from the brief time that I knew you. You are now with your husband and in a much better place. All my love to the family. Love ya Phyllis!!##imported-begin##Diedra Mallory##imported-end##*

“ *Ms. Phyllis,
I didn't know you long, but I do know you were a caring and loving person. Family was your #1 and all know they will all miss you extremely, as will I. I am glad I had the honour of knowing you. I know you are happy to reunite with your husband and yet sad to leave your family behind. May God bless your family during this time of loss.*

“ I just read in the Askov American paper I received in the mail today the obituary of Phyllis Krueger, my sympathy goes out to your family. I know you do not know me, as I don't know you, but two of the surviving grandchildren were listed as Ty Bagge and Katie Baggie. I recognize the name Ty Bagge, but cannot identify Katie Bagge. Since Ty Bagge is not a very common name I was wondering if he could possibly be my cousin who lives in Chelhalis, WA. Ty is the son of my late uncle and aunt Jens & Helen Bagge. Jens was my mother's younger brother.

Again sorry for your loss, what a beautiful woman.##imported-begin##Margaret Clapper ##imported-end##
