“ *When i was a less than a month old ,my mom went to Puerto Rico to have tubal ligation and decided to leave me in the care of my aunt Victoria and uncle Monchito.*

My aunt and uncle boarded the subway with my three cousins joey,victor, chino and was pregnant with my cousin Nitza while i was in the arms of my aunt....

Needless to say they drew everyones attention and I was told that someone came up to my uncle and asked what kind of an animal are you?....I don't think my uncle was embarrassed but likely felt dignified....yes he was always very dignified....

we love and miss you tio,

Thanks for the memories....see you later.....

Love , Helen
